**Specifications:**

Use: Designed for Use with  
Multi-Mount or Pipe Fans

### 09-110859 Louvered Plate 8" - Brown

**Specifications:**

Use: Designed for Use with 8" Ducting and  
Multi-Mount Intake Fan

Front & Back View

**Fan Ducting:**

- For hard to ventilate areas, 8" ducting can be attached to the ATMOX Pipe Fan or ATMOX Multi-Mount Fan.
- Attach ducting using multiple large cable ties (not included) and tightened around fan grill.
- Use of more than 50' of ducting in one direction is not recommended without boosting airflow with an additional ATMOX Pipe Fan.

**Pipe Fan:**

- Ducting can be attached on one or both sides of the ATMOX Pipe Fan to direct air as needed.

**Multi-Mount Fan – Exhaust or Intake:**

- Ducting can be attached to the back of ATMOX Multi-Mount Fan to direct air as needed.

**Multi-Mount Fan – Intake with Ducting and Louver:**

- Ducting can be attached to the back of ATMOX Multi-Mount Intake Fan to direct air as needed.
- At the end of the ducting, the 8" Louver can be attached to the ducting to maintain a closed space environment.
- Louver attaches to ducting with large cable ties.
